*Re: Petition for Protection from Anticompetitive Behavior and Stop Settlement
Payment Order on the U.S.-Pakistan Route, IB Docket 12-324*

International Settlements Policy Reform, IB Docket 11-80

Dear Ms. Dortch:

On September 19, 2013, Eric Loeb, James Talbot, and I, all of AT&T, met with Troy Tanner, James Ball, Kathleen Collins, Cathy Hsu, Walt Strack, and Irene Wu of the International Bureau to discuss the above-mentioned proceedings. Carol Bourdette of AT&T and Kimberly Cook, Francis Gutierrez, and Mark Uretsky of the International Bureau participated via conference call.

AT&T informed the International Bureau staff of challenges experienced by an AT&T customer as a result of the remedy set forth in the Commission's Stop Settlement Payment Order on the U.S.-Pakistan route. We also discussed generally the possible effects of applying benchmark rates to indirect routing arrangements.

One electronic copy of this Notice is being submitted in the above-referenced proceeding in accordance with Section 1.1206 of the Commission's rules.

Sincerely,
A handwritten signature in black ink that reads "Amy L. Alvarez".
